

Chichester Harbour Race Week 2018 GDPR Policy

Your personal data

- All of the information provided on the entry form, excluding your payment details, will be stored by Chichester Harbour Federation on their CHRW18 computers, so that we can manage your entry to the regatta. Management includes assigning your boat to the correct event, checking guardian consent for under 18 competitors, checking your boat's PY, contacting you prior to the event to resolve any queries regarding your entry, contacting you during the event to inform you of messages, protests and other key information, allowing you to sign on as going afloat and sign as have come ashore by etally and providing printed and electronic lists that include your boat details (including sail number and boat type) to our race management team.
- A subset of your data will be stored on our website and made publicly available so that your fellow competitors and other visitors can see who has entered the event. This data will be limited to your boat details, the days of the regatta for which you have entered, the name which you have chosen to be publicly displayed (which may be your own name or another name) and any additional data you have provided about the Helm or Crew for public viewing.
- The same subset of data will be made available to the media covering the event, together with the sailing club to which you belong, so that they can include a regional element in their reporting. The media will not be provided with further address details, and will only be given contact details where you have expressly indicated that you are happy to be interviewed.
- We will use your contact details before, during and after the event to provide you with information about the regatta. You may opt out of these communications at any time, except that you may not opt-out of communications containing important safety or race management information about an event that you are currently entered for.
- We will retain your personal data on our servers after the regatta to provide you with information about subsequent events. We will also retain the website data as a historic public record of your participation in the regatta. You may request to see the personal information that we hold about you at any time and/or request that such personal information is deleted.
- Where you have expressly provided consent on the entry form, we will make your email address available for a limited time to our official photographers, official sponsors, our official charity and other third parties so that they may contact you. Use of your email address in this way will be restricted to the period from the date of your entry to December 31st following the event. You may change your consent options at any time by contacting us.
